01

ROLLING IT OUT

Integrated Communications & Channel Strategy

How Manitoba will reach its consumers across the physical and digital environments, consistently at every touchpoint.

Touchpoints

PHYSICAL ENVIRONMENT

- **Supermarkets & neighborhood stores**

Classic sales channels, and the starting point of the strategy.

- **Tasting stand**

An eye-catching space in supermarkets for a personal brand experience — Traditional and Conscious blends, plus spreads.

- **New packaging**

A redesign to reinforce perceived value against competitors.

- **Aisle signage**

Communicating the Conscious Club membership at the point of sale.

DIGITAL ENVIRONMENT

- **Instagram as priority #1**

The main channel for reaching kids and teens; the customer's first point of contact.

- **Weekly events & activities**

Challenges under the hashtag #ConscienteConManitoba, sharing a photo or video with a product.

- **Rewarding creativity**

The most creative, most-engaged post wins 3 months of free Conscious Club membership.

- **Product showcases**

Content designed to present the portfolio in an appealing way to followers.

The Purchase Experience: The Customer Journey

Customer Service Protocol

Aimed at every employee with direct contact with Manitoba consumers. Regardless of role, customer-facing duties come down to three pillars:

R

Respect

Toward customers, in every interaction.

Q

Quality

In the service provided, without exception.

E

Efficiency

In the processes that resolve the customer's
need.

"It is through these pillars that Manitoba will deliver comprehensive service that secures the loyalty and trust of its consumers."

Service Channels

In Person

- 1 Start the interaction with warmth
- 2 Gather information by listening actively
- 3 Resolve the need clearly
- 4 Close the interaction respectfully

Email

- 1 Review the subject line
- 2 Reply clearly, briefly, and precisely
- 3 Use formal language
- 4 Aim for the fastest possible turnaround

Phone

- 1 Open with a warm, confident greeting
- 2 Introduce yourself and state the reason for the call
- 3 Be concise and patient
- 4 Transfer the call if needed

From First Contact to Post-Sale Follow-Up

02

BRAND ACTIVATION

Promotional Activities & Trade Marketing

The tactics that sustain the bond with the consumer and reinforce the status of the Conscious line.

Promotional Activities

1

Social Media Activities

Posts about discounts, promotions, and bonus rewards under the hashtag #ConscienteConManitoba.

2

Online Catalog

A Conscious Club feature: weekly recipes, workout routines, and healthy-eating tips.

3

Conscious Club

A membership available through product purchase or a monthly fee, with exclusive perks for members.

TRADE MARKETING

“Trade marketing means promoting a company's product to a retailer to improve the odds that the retailer will push it harder than competing products.” — Galeano (2019)

Chosen tactic: a tasting stand arranged with the retailer inside the supermarket, to draw in shoppers and encourage them to buy.

Control & Follow-Up Strategies

1

Post-Sale Service

Ongoing engagement via social media and sign-up for the online catalog, keeping customers informed about launches and promotions.

2

Conscious Line

Conscious Club with campaigns themed “conscious of your body, the environment, and society,” under the hashtag #ConscienteConManitoba.

3

Kids' Line

Development of a “Manitoba” character and a platform with interactive games aimed at children.

4

Loyalty Program

A points platform: customers register the barcode from the packaging and accumulate points redeemable for vouchers, products, or prizes.

IN SUMMARY

An integrated plan that connects every touchpoint — physical and digital — to strengthen Manitoba's positioning and that of its Conscious line.

24.24% → 46.97%

Brand identification (Conscious line)

31.25% → 45%
